## Air Compressor | OSDAC-30

W6507

Portable air compressors designed to be compact and quiet.

### Specifications

Part Number	OSDAC-30
Operating Pressure	40-80psi
Pressure Control	Preset Minimum Pressure by Automatic Switch
Air Delivery	30ℓ/min. @80psi
Tank Capacity	20 liters
	Electrical Power: 220VAC 200W
Size (WxDxH)	510 × 290 × 500mm
	Net Weight: 23kg
Noise Level	40dB
Air Discharge outlet diameter	φ6 with one-touch fitting
Body color	Light Gray
Pressure Indicator	1 ea
Drain Valve	1 ea
Pressure Valve	1

Application Systems

Optics &amp; Optical Coatings

Opto-Mechanics

Bases
